### Focus 2018 Region 3

1. Build and Expand WITRAC to include PSAP utilization along with certain key elements associated with Psych and Special Needs care
2. Continuity of Operations Planning and Exercises based on lessons learned from Active shooter, CAT exercise, Dark Sky and others.
3. Communicable Disease summit and exercise (potentially with state now)
4. Continued support of local exercises including Active Threat, HazMat, MCI, and disaster
5. Mental Health recovery aspect for all health care workers (responders through long term care)
6. EMS Pixis System project for Oconto, Brown, Marinette, Oconto Counties
7. EMS Trailer update and supplies coordination Manitowoc, Door and Brown trailers
8. Triage training for non-ED surge hospital staff (need to get to the bottom of start vs salt) first.
9. Continuation of the Citizens Aid project including training teachers, school support staff and coaches, and longer term goal of providing stop the bleed kit for every classroom in the region
10. Special Needs during emergencies focus. ( need to have some discussions between folks on how to handle this, had an issue during the nursing home evac).
11. Finalization of business planning associated with managing the incorporated entity. (transition to Corporate Style Management).
